## Abstract

*To be filled.*

## Intellectual Merit

*To be filled.*

## Broader Impact

*To be filled.*

# 1 Introduction

*Objectives, motivation, problem statements, hypotheses, etc.*

# 2 Background

*Related work done by others, preliminary work done by you.*

This is how you cite [1].

# 3 Proposed Research

*Methodologies, datasets, evaluation methods, experimental design (meaningful baseline must be specified), expected output, etc.*

# 4 Timeline

*Who will do what task in which period.*
